

RAGGO™ – 100% WHITE COTTON RAG

RAGGO is 100% White Cotton Rag. They are fabricated from POST INDUSTRIAL clips/cut off.

Our Cotton rag and Cotton wiper are carefully selected and processed to increase its absorbcy for Lyophilic, Lipophilic and hydrophilic.

RAGGO is highly recommended for use in aeronautical, marina, engineering yards, mechanical workshop and garages where cleaning and mopping up of high viscosity fluid or solution or water is essential.

RAGGO is also best use as FRENCH POLISH (polishing and waxing).

With years of experiences, we understood what is needed to make a good Cotton Rag/Wiper.

If the products to be clean/wipe are of high value, you need RAGGO.

Material – 100% White Cotton

It is available in sewn to desired sizes and weight or in un-sewn, cut into single pieces of a desired size. This single piece is best use for Polishing as well as wiping.

All sheet and roll sizes are subject to tolerance.
